

July 18, 1951.

Dear Dr. Demerec:

Klieneberger's review article on filterable forms of bacteria has appeared in print. Please complete the reference, if time permits, as follows:

Klieneberger-Nobel, E., 1951, Filterable forms of bacteria.

Bact. Rev. 15: 77-103., in place of the incomplete reference now in my symposium ms. Thank you.

Joshua Lederberg
